Dear 4-H Volunteers,

We are happy to announce that 4-H Online 2.0 is now open for enrollment. The upgraded platform is more user friendly and SmartPhone friendly.

Volunteers must enroll each year in the Virginia 4-H Program. Before a volunteer can enroll you must complete the following steps

1. Contact the Appomattox County Extension Office at (434)352-8244 to discuss volunteer options and create a volunteer plan. More detailed information can be found here: [Volunteers Levels and Descriptions](#)
2. Complete the volunteer screening requirements
3. The local Extension Office will provide you with the enrollment link and tip sheet

We thank you for your support of the local 4-H program and look forward to working with you as a volunteer.
